Thank you for your understanding during our recent ice and snow events. As you know we don't take the decision to suspend service lightly, your safety is our top priority and your patience and flexibility are appreciated by us all. If the Portland metro area experiences additional snow and/or ice this season, we'll make the decision to suspend service on a day-by-day basis.

The Project Linkage Team

Ride Connection relies on monetary donations, volunteers and in-kind donations to continue to provide transportation to older adults and people with disabilities in our communities.

Give the gift of mobility by:

- Donating your car •
- Becoming a volunteer •
- Providing in-kind donations •
- Becoming an advocate for transportation •
- Donating money •
