

TUALATIN SHUTTLE

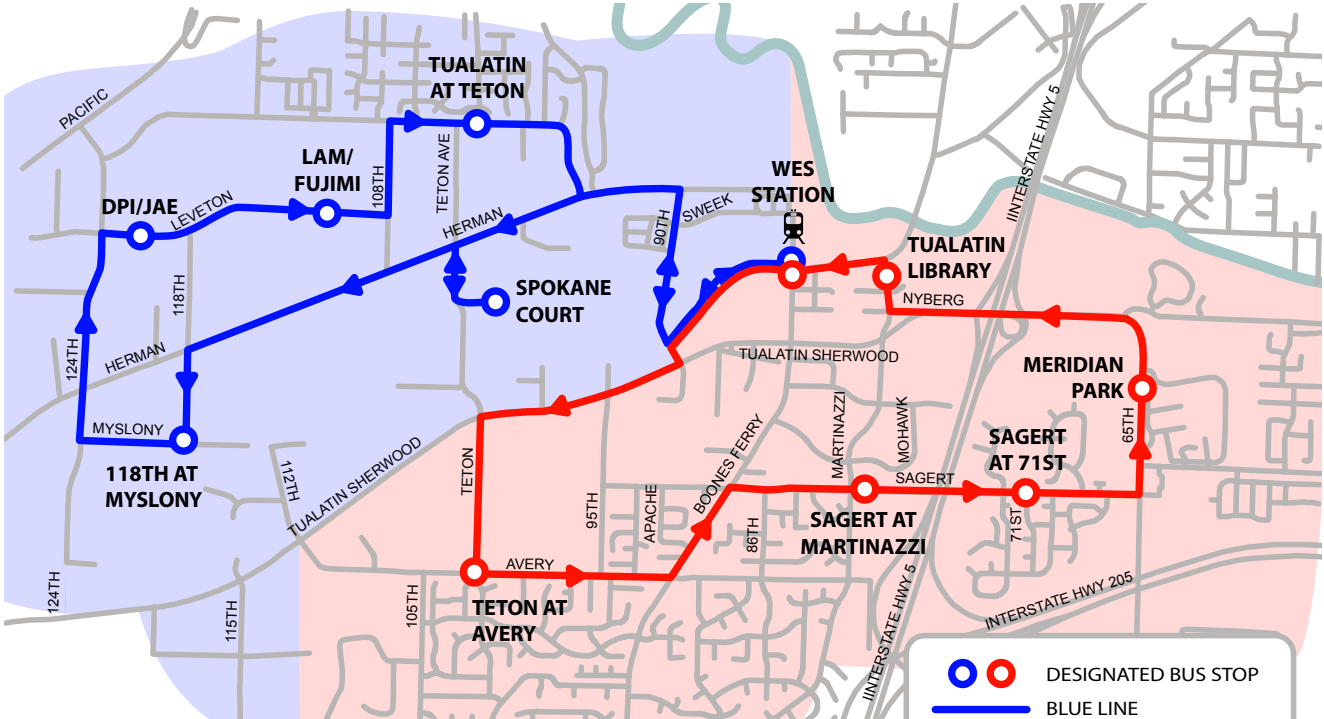

The Tualatin Shuttle is a free 'deviated, fixed-route' service linking WES Station to employment destinations in the Tualatin area. While specifically designed for transit-dependent employees, job-seekers, and low-income individuals, the service is open to the public.

FLAG STOPS

If you are along the route, and not near a designated stop, you can "flag" or simply wave to signal the bus driver to stop. Be sure to stand on the correct side of the road. Passengers may request on-route stops when boarding as well. Street and traffic conditions may make it unsafe for a driver to perform a flag stop where requested.

OFF-ROUTE STOPS / DEVIATIONS

We will deviate up to 1/2 mile off route to pick you up or drop you off for one leg of your trip (see shaded area on map). Off-route stop requests should be scheduled with our dispatcher at least one day in advance. Only one scheduled deviation (pick-up or drop-off) is allowed per loop, however, multiple passengers may use the same deviation.
